Saving On A Salary

Working for a salary does not mean that living expenses should consume all your earnings.
The man who works week after week and spends the money as it comes is throwing away every chance of independence.
Begin saving today—lay aside a few dollars now and you will have made a start.
We pay 4 per cent. interest on all savings accounts, and this added to the principal will soon lay the foundation of a competence.

Pig and Potatoes

Figure in Divorce Suit Brought by Wife

New York, May 5.—The shipment of a bag of potatoes and a pig from a farm in Connecticut to a woman in New York who wasn't his wife and a row with the plumbers' union because he was instrumental in having a walking delegate sent to jail figured in the divorce action brought against George J. Essig, a contracting plumber, by his wife, Elizabeth, who wants \$50 a week alimony and \$500 counsel fees. Then Mrs. Essig started to find out things. Essig's lawyer said that he hasn't much equity in the farm in Connecticut and that although he had a prosperous plumbing business at one time he is now a "plumbing contractor without contracts" as a result of his fight against the walking delegate.

Valuable Lands

Lost by New York
Albany, N. Y., May 5.—The State loses title to 3,750 acres of valuable forest lands in the Adirondacks by a decision of the Court of Appeals sustaining the judgment of the Appellate Division, given on the report of a referee. Title to the plot is given to the Saranac Land and Timber Company, the principal promoter of which is reported to be Smith M. Wood of Pittsburgh. The property is situated on the Lower Saranac Lake in the town of Harrietstown, Franklin County.

Tusk of a Mastodon Found on River Bank

Pittsburg, May 5.—The tusk of a mastodon found on the banks of the Allegheny River near Clearmont has aroused much interest among local naturalists and is expected to spur the Carnegie Museum authorities to make a thorough search of the neighborhood in the hope of recovering the complete skeleton of the great beast.
